Duraform®

Durable Paper

Duraform® Durable Paper is a washable, saturated paper offered in various calipers and colors designed for hardwearing applications like washable tags, jeans labels, and garment tags. Offered in two calipers and various colors, Duraform® Durable Paper features premium printability, exceptional wash durability, and superior dry-tear strength, perfect for stone and chemically cleaned products.

Duraform® has select products certified according to OEKO-TEX® STANDARD 100, certificate #10. HUS.84524, Hohenstein, an industry benchmark for safety in textile products that have contact with skin. Manufactured without the use of animal leather, the major component of Duraform® Durable Paper is cellulose fiber, a renewable resource that is harvested from responsibly managed forests.

Applications Include:

- Jeans Labels
- Garment Tags
- Retail Hang Tags
- Luggage Tags
